**NOTICE**

The information contained in this document is proprietary. The information may not be copied in whole or in part without written permission of Paydhealth and must be used in unmodified form for information purposes only.

This document contains references to brand-name prescription drugs that are trademarks or registered trademarks of pharmaceutical manufacturers not affiliated with Paydhealth.

Paydhealth does not operate the websites/organizations listed here, nor is it responsible for the availability or reliability of the websites' content. These listings do not imply or constitute an endorsement, coverage, sponsorship, or recommendation by Paydhealth.

Please be advised that this document is updated periodically, and changes may appear prior to their effective date to allow for client notification.

**IMPORTANT**

This is a list of medications that changes periodically and is reviewed each calendar quarter. Users of products on this list are eligible for Advocacy Services under the Select Drugs and Products<sup>SM</sup> Program sponsored by your group health plan.

To ensure you have the most current version of the Select Drugs and Products<sup>SM</sup> List, visit your designated Paydhealth website address.

Inclusion of a medication on this list is not a guarantee of coverage. This list is not a determination of eligibility for coverage of any product. Paydhealth and The Select Drugs and Products<sup>SM</sup> Program does not provide any clinical services, engage in any form of therapeutic interchange or substitute any product, and does not procure nor does it distribute prescription drug products. Please refer to your plan of benefits for coverage limitations and exclusions.

Not all benefit plans include healthcare practitioner administered specialty drugs (noted in italics). For details regarding your benefits plan, contact Customer Service at the telephone number listed on your identification card.
